PROGRAMME

Sing along-a Blondie!

1. I'm told there lives in Nottingham a sheriff name of Cluff,
Although he's lots of money, seems he never has enough.
He's soaked the rich, he's soaked the poor, his infamy is waxing,
The population's up in arms because they find him taxing.
So I think King Dick, you should get back quick
And tell Cluff, "That's enough, change your programme".
2. The messages from Nottingham are rather less than good,
The Sheriff's got Maid Marion, he'll soon have Robin Hood.
Unless we get there PDQ, and snuff that Cluff again,
We'll find Prince John will rule OK, and end King Richard's reign.
So I think King Dick, you should get back quick
And not let getting wet change your programme.
3. The road to London may be blocked, but hark to what we say,
A flashing light set on your roof will quickly clear the way,
The carts may stretch from kerb to kerb, the outlook may be tragic,
But once you turn that blue light on, the road will clear like magic!
So we think, King Dick, you should try this trick,
And not wait for the road building programme!
4. Bonjour to you, your Majesty, I hope you're feeling mieux,
We've just had news from Nottingham, and it's not good, Mon Dieu!
They say that Robin and his men are set to storm the château,
And if they do, I'm telling you, it's not a piece of gâteau!
So I think King Dick better get there quick
Or we'll say "Au Revoir" to our programme.
