Message from the Director ...

Good evening and welcome to our production of Wind in the Willows. We have had fun as we bring this to you, and hope that you will open your minds to the possibilities we present you

We would like to lead you through Holly's dream of what happens down by the rivers and in the woodlands that we stroll through. Watch how the animals live side by side and listen to their stories. You never know, maybe it isn't a dream ...
