*On 1st May we will start at 7.45, go through each playlet as a sort of Tech Rehearsal, then at 8.30 we will Run everything as a Dress Rehearsal.

Please be familiar with the script for the first rehearsal (almost 'off book'), then for the second rehearsal please can we have books down. Sounds scary ... each playlet should run for less than 10 minutes, so it is possible to put the books down early. This way we have more time to develop the characters.

Please let me know if you have problems with any of the above dates.
